**A note on staying warm**

Layers are the key to staying warm during the winter. As you warm up through activity you can take clothes off to keep from sweating too much. Likewise, when you stop you can then add clothes to warm up again. If you get wet, either through sweating or any other way, you will get cold. You must do whatever you can to keep from getting wet.

**Leader in Charge:** Brian Paisley home: 330.529.4013 cell: 330.284.1949 (availability subject to cell coverage in area).

**Activity Notes/Itinerary:** We will be participating in the Westark Camporee. The theme for the year is Pioneering. Scouts will have the opportunity to earn their Pioneering merit badge. Scouts need to have requirements 1, 2, 7 and 10 done prior to the camporee. We will work on 1, 2 and 10 at troop meetings. Scouts will need to complete 7 at home on their own time. They will also need to bring their model to camp. Scouts should also be familiar with the other requirements. The scouts will have the day to travel from station to station throughout the camp to complete the requirements. They will each be issued a blue card and it is their responsibility to get the card initialed at each station when they have demonstrated the appropriate skill. Requirement 10 will be completed as a patrol. The patrol will build a catapult and launch at a target for points during an inter-patrol competition. Scouts who do not finish will have a partial they may continue to work on after the camporee and earn the merit badge at a different time.

Scouts will have the opportunity to complete the following rank requirements during the camp out depending on the amount of time they spend as well as **their** effort to complete the requirements.

Tenderfoot – 1, 2, 3, 4a, 4b

Second Class – 2b, 2f

First Class – 4a, 4b, 4c, 4d, 4e, 7a, 7b, 7c

**Patrol Meals** – Patrols will plan their own meals for this campout. They will assign a Grubmaster as well as create and follow a patrol duty roster. Patrols will collect \$12.00 per scout. The Grubmaster will need to stay within the budget for the campout. They will need to plan a Friday night snack, Saturday breakfast, Saturday lunch, Saturday dinner and Sunday breakfast. Each meal they will have 1 – 2 adult leaders eat with their patrol. The patrols will be given a set dollar amount to cover the cost of the adult meals.

**Driving Directions** will be provided at departure
