

Scout Financial Assistance Program

The Ohio Elks Association's Scout Financial Assistance Program is designed to assist (individual) scouts who will not have the opportunity to participate in troop activities, such as summer camp programs or summer scouting trips, due to family situations.

Please provide the following information.

Scout's name _____

Troup Name & # and Rank _____

Plans to attend _____

Dates _____

Cost of activity _____

What has the scout done to raise funds? _____

Amount needed _____

Please provide a **BRIEF** explanation of the family situation _____

Council Name _____

Address _____

City, State, Zip _____

Contact Person & Phone _____

Funds are paid directly to the Scout Council for the benefit of the recipient.
All funds must be used for scouting related programs.

Scout Financial Assistance Program

The Benevolent and Protective Order of Elks is dedicated to the promotion and development of various Youth Programs. Elks consider scouting as one of America's finest traditions – as an organization firmly committed by nurturing leadership skills, encouraging the highest ideals of character, and development of strong values toward tomorrow's leaders.

As in all organizations, some members are limited in their participation and involvement based on personal situations. With this in mind, the Ohio Elks Association Youth Activities Committee would like to offer financial assistance to Scouts serving Ohio. The program's involvement consists of the following:

- To assist Scouts who will not have the opportunity to fulfill or achieve their dreams. In reviewing grants for approval, individual situations will be considered top preference.
- Approved grants may be used for fees, equipment, uniforms, camps, special projects, or transportation issues.
- Written request may be submitted by any adult Scout Leader or Volunteer Staff Member. Submit in writing as much detail for each situation as possible.
- Names and subject matters will be kept CONFIDENTIAL.

For assistance, call or email:
